

PENNSYLVANIA ASSOCIATION OF COMMUNITY HEALTH CENTERS

CONNECT with Pennsylvania's Network of Community Health Centers

The Pennsylvania Association of Community Health Centers (PACHC) is the state primary care association representing Federally Qualified Health Centers (FQHCs), FQHC Look-Alikes, Rural Health Clinics (RHCs) and other like-mission providers located in underserved areas throughout the Commonwealth.

Community Health Centers  are non-profit, community-directed providers that provide access to comprehensive quality primary medical care, dental and behavioral health services, regardless of the patient's ability to pay, to hundreds of thousands who would not otherwise have health care access.

- There are more than 200 community health center service sites operating in 44 counties in the Commonwealth, both urban & rural;
- Pennsylvania's health centers provide care to nearly 700,000 patients annually;
- The economic benefit generated for local communities is more than \$500 million;
- Pennsylvania's health centers provide almost 3,200 full-time equivalent jobs.

The Value of Corporate Membership:

An investment in the PACHC Corporate Membership would provide you access to this extensive, well-established primary care infrastructure, maximizing your exposure to PACHC membership. The PACHC Corporate Membership provides opportunities for your organization to distinguish itself and build key relationships and allows PACHC members to easily identify and evaluate potential suppliers, consultants and other resources.

PACHC offers Gold, Silver, and Bronze levels of corporate membership with each level offering different benefits. Please see attached summary of benefits by category. All memberships are annual; the Corporate Membership year is based on 12 months from date of joining (receipt of application and dues payment). Corporate Membership is available to any public or private, profit or non-profit entity and/or vendor committed to the purpose, mission and goals of PACHC, whose goods and services will benefit PACHC membership and support the purpose of PACHC.

Please note: Becoming a PACHC Corporate Member does not mean that PACHC endorses your products or services.

Should you have questions, please contact Cindi Christ, PACHC COO, at cindi@pachc.com or (717) 761-6443, ext. 204.
